Please note: this information sheet has been prepared to provide an overview of the main coverages and exclusions. To get a complete picture of all coverages and exclusions, please consult the general terms and conditions.

Which type of insurance is this?

This is an insurance that can be taken out for damage or theft to your smartphone with a Proximus SIM card connected to a Proximus mobile subscription against monthly payments.

Which device is insured?

The User's new mobile telephone (smartphone), which meets the following conditions:

- at the latest thirty (30) days before the conclusion of the Agreement, it must have been purchased in Belgium and be the property of the User;
- at the time of the Claim, it must contain the Proximus SIM card linked to the mobile subscription on which the Smartphone Omnium option was activated by the Insured;

If it does not concern a new mobile phone (smartphone) of the User, but it was purchased in Belgium more than thirty (30) days before the conclusion of the Agreement and it is owned by the User, it must;

- still be covered by the original factory warranty at the time of activation of the Smartphone Omnium option;
- at the time of the Claim, it must contain the Proximus SIM card linked to the mobile subscription on which the Smartphone Omnium option was activated by the Insured;
- since thirty (30) days prior to the Claim, also at least fifteen (15) days have been used with the mobile subscription for which the Smartphone Omnium option has been activated by the Insured. There is a 30-day waiting period with actual use prior to the declaration of the claim, during which the device is not covered.

Covered claims?

- ✓ Accidental, Material Damage;
- ✓ Failure, both during and following the two-year legal warranty period. When the User calls on the services of the Insurance, he transfers the ownership of his device to the Insurer;
- ✓ Burglary;
- ✓ Robbery with aggression;
- ✓ Pickpocketing;
- ✓ Fraudulent use of the SIM card in case of Burglary, Robbery with aggression or Pickpocketing

Non-covered claims?

- X** the Insured Device does not meet the conditions
- X** the loss or damage is caused by a deliberate error or intent on the part of the User or any other person who is not a Third Party;
- X** the loss or damage is caused by Negligence on the part of the User;
- X** the loss or damage is caused by Burglary, Robbery or Pickpocketing carried out by the User or with the User's complicity;
- X** the loss or damage does not affect the proper functioning of the Insured Device, such as scratches, cracks, peeling and dents;
- X** the user is unable to provide the Insured Device to the Logistics Partner, except in the case of Burglary, Robbery with aggression or Pickpocketing;
- X** the User is unable to deliver the Insured Device to the Logistics partner as a result of loss caused by a reasonably foreseeable event;
- X** the loss or damage concerns the accessories, consumables and means of connection of the Insured Device, such as headphones, earpieces, handsfree kits, ...
- X** the loss or damage is caused when the Insured Device is entrusted to a repairer not appointed by the Insurance Broker (quote, repair costs, etc.);
- X** the loss or damage is caused by software viruses, hacking, electronic fraud or contamination;
- X** the loss or damage is caused by natural disasters, flooding or other natural phenomena;
